

RAILROAD SECURITIES EXCEPTIONALLY FIRM

Market Opens With Trading
in Large Volume.

THE INDUSTRIALS PASSIVE

London Market for American Securities
Materially Depressed—Wall Street
Awaits the Election Returns.

NEW YORK, Nov. 3.—The Stock Market opened with the trading in fairly large volume and with declines showing, which extended to over 1 point in the case of Louisville and Nashville and to an average of 1/2 to 3/4 points in the general list.

A few stocks were exceptionally firm, conspicuous examples being Manhattan Railway and Reading. On the other hand, St. Paul, Union Pacific, Missouri Pacific, Norfolk and Western, Baltimore and Ohio, and all the other usually active stocks reflected marked pressure.

In the industrial quarter the United States Steel shares were the active features and were dealt in slightly below Saturday's final figures. Otherwise the transactions in that direction were in small volume and showed no significant changes.

The London market for American stocks was materially depressed and foreign houses sold here when business opened, although not to a large extent. There was little news over Sunday bearing upon the market, and discussion at the outset of business was almost wholly taken up with the probable outcome of tomorrow's election.

DEACONS AND PARSON WRANGLE OVER ASSISTANT

The Reverend Wraith Spurns Help in
His Work.

BUFFALO, N. Y., Nov. 3.—Because Rev. William Wraith, moderator of the Presbyterian Synod and pastor of the Lancaster Presbyterian Church for the past fifty-two years, refused to permit the appointment of a younger minister to assist him in his parish work seven of the eight deacons of the church have resigned.

Mr. Wraith believes that he can do all the work required in the parish, but the deacons declare that he is too old, and that the church is deteriorating.

The congregation sides with the pastor.

LEGS CUT OFF BY TRAIN.

BUFFALO, N. Y., Nov. 3.—John Morgan, a well-known stock dealer, of Osborne, Pa., was killed in the stock yards at East Buffalo last evening by being run over by a cattle train, which severed his legs at the hips. The numerous railroad tracks confused him, and he stepped in front of the train while trying to avoid another.

INJURED BOY RECOVERING.

Raymond Mueller, the ten-year-old boy who while swinging from the rear of a wagon on E Street southwest yesterday afternoon received severe injuries about the head and was taken to the Emergency Hospital for treatment, was reported doing well today. The physicians announce that he will be able to be out in a few days.

STRICKEN WITH APOPLEXY.

H. S. Darby, who lives in the Washington apartment house, Second and D Streets northwest, was stricken with apoplexy yesterday afternoon. He was taken to the Casualty Hospital, where he rallied rapidly. It is thought he will recover.

CASTORIA For Infants and Children.
The Kind You Have Always Bought

TENANT AND LANDLORD FIGHT OVER THE RENT

Latter Swings on Head of
Former With Ax.

CENTRAL VILLAGE, Conn., Nov. 3.—What may prove to be a murder occurred on the outskirts of this village on a farm owned by the Wilcox estate yesterday morning.

E. E. Spaulding, forty-five years of age, who has been a tenant on the place, failed to pay the rent, it is alleged. Byron Wilcox, employed in the town clerk's office, went for the rent yesterday. He and Spaulding came to blows.

Spaulding, it is said, seized an ax, and, swinging it, cut Wilcox twice, once in the back of the head and again between the shoulders, the latter cut going through the spine. Spaulding was arrested. He will be taken to Brooklyn jail to await the result of Wilcox's injuries.

UNION MEETING OF CHRISTIAN ENDEAVOR SOCIETIES TONIGHT

A union meeting will be held tonight by the Christian Endeavor societies of Washington in the First Congregational Church. An interesting program has been arranged. The Rev. S. H. Greene, pastor of the Calvary Baptist Church, will deliver and address on "The Need of a Church for the Christian Endeavor Society," and the Rev. J. H. Straughn, pastor of Mount Tabor M. P. Church, will speak on "The Need for Active Work by Young Christians." The Rev. Dr. F. D. Power, pastor of the Vermont Avenue Christian Church, will conduct the devotional exercises. The music will be in charge of Page L. Zimmerman.

CHURCH HOME FOR SEVENTH DAY ADVENTIST CONGREGATION

The congregation of the Second Seventh Day Adventist Church has purchased the building formerly occupied by the Central Methodist Protestant Church, Twelfth and M Streets northwest. Payments to secure the purchase have been made and immediate possession will be given.

At a business meeting of the congregation last night in Washington Lodge Hall on Twenty-second Street northwest \$118 in cash was raised and \$1,012 subscribed with which to meet the first payments. The purchase price for the building is \$12,900.

The membership of the Second Seventh Day Adventist Church is now sixty-five, representing the white people who recently separated from the First Church, on Eighth Street northeast. The first services in their new church home will be held next Saturday morning and on Sunday evening.

BRITISH CHALLENGES

LONDON, Nov. 3.—The City of London Chess Club, which has replaced the defunct British Chess Club as the premier association, has forwarded a challenge to the Brooklyn Chess Club for the annual international match for the trophy offered by Sir George Newman. The match will probably take place in February, when the British hope to be able to employ the Maroon wireless system in sending the moves.

SOLDIER MURDERED.

BERLIN, Nov. 3.—Gumbinnen, the town in Prussia where Captain Krosigk was mysteriously murdered on January 22, 1901, has been the scene of another and similar crime. Captain Zaltus was yesterday murdered in the barracks and finally thrown from a window and killed by under officers and soldiers. The culprits have not been discovered.

LOCAL COAL SUPPLY SOON TO BE ABUNDANT

Dealers Say They Will Be
Able to Fill All Demands.

Anthracite coal is beginning to arrive in Washington, and in the opinion of the local dealers, there will soon be sufficient on hand to supply the heavy winter demand. Customers are many and impatient, but the supply as yet is not large enough to induce the dealers to sell large quantities to any one customer at a time.

The incoming supply is the genuine article, mined by union miners since their return to work, a little more than a week ago. The "washery" product has been eliminated altogether, and the Washington public now has its first actual evidence of the satisfactory settlement of the strike.

STABBED THIRTEEN TIMES BY FELLOW-SCOOPER

Patrick Beaky Frightfully Hacked by
Co-Laborer—One Thrust Penetrated Lung—May Die.

BUFFALO, N. Y., Nov. 3.—Patrick Beaky, thirty-eight years old, a scooper by occupation, was stabbed thirteen times at 12:30 o'clock this morning. Michael Clancy, also a scooper, was arrested, charged with the stabbing. He was as much bloodsoaked as Beaky, but his sole injury consisted of a black eye. Beaky received five of the wounds in the abdomen, three in the left breast, four in the left arm, and one in the back. One of the thrusts penetrated the lung and narrowly missed the heart.

It is believed that Beaky will die. The men were drunk and had quarreled about their work.

CROWN PRINCE OF SIAM INSPECTS FACTORIES

SYRACUSE, N. Y., Nov. 3.—The Crown Prince of Siam arrived in this city this morning, accompanied by the Siamese minister, Assistant Secretary of State Peirce, and the members of his suite. The Crown Prince is the guest of Lyman C. Smith, who took him for a ride around the city this morning.

The Crown Prince visited Syracuse University and after an unusually elaborate luncheon at Mr. Smith's residence, inspected a local typewriter factory. He left for Niagara Falls at 3 o'clock this afternoon.

BODY TO BE SENT TO HARTFORD.

The body of William McCoy, who was found unconscious in front of 510 Third Street northwest Saturday, and who died at the Emergency Hospital that afternoon, will be sent to Hartford, Conn., at the request of Mrs. A. J. McCoy. McCoy was apparently about fifty years old.

RUN DOWN BY BICYCLIST.

Edward Nicholson, aged nine years, of 3012 M Street northwest, was run over by a colored bicyclist on M Street yesterday and bruised about the head and legs. The bicyclist, William Smith, was arrested by Policemen Furr on a charge of violating the speed regulations.

Ran a Ten-Penny Nail Through His Hand.

While opening a box J. C. Mount, of Three Box, N. Y., ran a ten-penny nail through the palm of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm, and occasionally afterward. To my surprise, it removed all pain and soreness and the injured parts were soon healed." For sale by Henry Evans, 922 F Street northwest, wholesale and retail, and all druggists.

Showing Age.

Some people begin to show age before the meridian of life is reached, or they have lived out half their days. They are prematurely gray, haggard and sickly, and seldom free from an ache or pain of some description.

Cold feet, chilly sensations, stiffness in muscles and joints, weak stomach and poor digestion, lack of energy, and drowsiness, nervousness, etc., show that old age has been reached. Bad blood and weak circulation more often produce these miserable feelings and signs of decay than anything else. An inherited taint or poison of some description is at work in the system, causing stagnation and a general unhealthy condition of the blood; and this, and not the weight of years, is dragging you down to an untimely old age and making life a protracted torture.

For purifying the blood and toning up the circulation nothing equals S. S. S. It removes from the system all the waste matter that has been accumulating for years, and makes the blood rich and pure, stimulates the appetite and digestion, and invigorates the entire body.

S. S. S. is a purely vegetable remedy, and the best purifier and tonic for old people, and those who are beginning to show age because of the run down condition of the blood. With rich, pure blood there is no reason why old people should not retain the happy disposition and buoyant spirits of youth.

If you have a cancerous sore, Rheumatism, or any of the ailments common to old age, write us about it, and our physicians will advise you without charge. Book on Blood and Skin Diseases free.
